SEE IT! HEAR IT! REPORT IT!

Unlocked vehicles and valuables in plain sight inside vehicles are an invitation to the bad guys to steal your belongings. Several incidents were a result of unlocked cars, keys left in the car, and garage doors open. Please don't give thieves a helping hand. Make sure your routine involves locking your vehicle when you exit it, closing your garage door at the end of the day and locking your doors before you go to bed. Also if you see suspicious activity please make sure to contact the Police Department. Remember it is better safe than sorry.

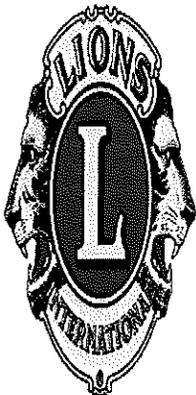

Reminder: Golf carts must obey the Texas Transportation Code Traffic Law. You must obey rules of the road, the same as any motor vehicle.

Just a friendly reminder from the Animal Lovers in your community (Ordinance No. 2005-293)

"If your dog poopies please be kind and scoopy"

Thank You ☺
